I truly believe this can be an excellent forum for you, as it is comprised of major corporate officers, national press (ex, Fred Barnes, John Fund frequently attend) and members of congress. Our next dinner for example is with Amb Gutierrez from Mexico to discuss NAFTA, energy and trade. Obviously, I will ensure that they accommodate your schedule. I hope that you and your family have a great holiday weekend. Regards. PS - would love to have coffee/breakfast whatever when things slow down, but purposely haven't called knowing how chaotic things have been for you, particularly without any of your key staff confirmed.

Fabulous corporate audience as well as national press. Just let me know and if you are interested, and I will follow up on dates and details. Hope that you have a quiet holiday weekend before the return to chaos next week. Regards.
